Letter No.39. To: Abdalla Assad.
From: Hanna Bajjah.
Date: 12.12.38.

Informs him that he had included in the pay sheet the names supplied by Assad, that the English supervisor questioned him about those names and that he answered him that those were very helpful labourers. Two weeks later, information was given to the English supervisor by certain persons employed at the P.W.D., Tulkarm, that Hanna had connections with the rebels and that he included the names of rebels labourers in the pay sheet when they did not do any work. The Supervisor sent form him to report at Nablus. he had to answer a charge in front of a Court composed of the two English supervisors together with the A/District Commissioner of Nablus and the Chief Clerk and the storekeeper of the said Department- He denied the charge and said that he had no connections with rebels. The A.D.C. questioned him about his visit to such a place on such a date to which he answered in the negative. My trial lasted for more than an hour. I was led out of the room and after they had consulted with one another for half an hour I was re-admitted into the room of the Director. The Director said to me that he believed that the calumny made against me was not true and that therefore he found that I was not guilty and ordered that I should resume work provided that the pay would only be paid to the eight persons appointed by the Supervisor and that the rest would receive no pay. A week later I went upon instruction to meet the Director who requested me to be thankful that they did not report the case to the Police. He also told me that there was another information against me which is harbouring Abdel Rahim el Haj, the Great Leader, when Allar village was surrounded by the Military. I also denied this and thanked God for it. I sent you LP.24 through Abu Radi, the Mukhtar of Attil. I shall soon send you another LP.15.

Letter stating that he, Radi, met the P.W.D. foreman Hanna Betjalla and spoke to him as instructed, and he promised to see you tomorrow(Sat.) about the £ 24, which until now has not arrived. I have in my possession £ 25 which has been drawn from the Govt. for the village, but I shall await your orders before I give it to them. About the cards I do not know when the Govt. change them. I met Abdul Latif Eff. el Dahillih and he informed me that £ 24 mentioned above is in the Treasury in your name of your village. He informed me also that it is for you because the foreman had claimed for extra working days for your villages. Abdul Latif told me tell Ahmed El Dehoud not to inform the villagers of this money. The money is now with Abdallah el Limoun. About a week ago the section leaders asked me to compile a list of names of villagers, and of those who visit the village daily. I spoke to Abu el Abbad who was pleased about this. The leader sent to me with Tewfic el Lebeidy from Zeita, a verbal message to meet the Mukhtars at noon that day. I do not know why. (cont.)

I wanted to tell you more about this although I know that all what I tell will reach the leadership. Then I told him you can say whatever you like. He then said: "I was in prison with Abdalla el Assad - I liked him as a brother, when he left the prison I gave him money and all what he needed and I always tried my best to make him the best person and still I am able to do it. However, both of us made an agreement that we should work each one alone and to cut out the name Abu Shaddad and that the leader should be Aref Abdel Razzek. Eventually Aym Kamal was killed.

We posted notices for the prisoners. The "Shayeb" came and sent Allan to Abdalla el Assad, but Abdalla sent bad letters and we used to reply good letters! He kept Ahmad Abu Zeitoun Seal and wanted to kill him but we forbade him, and that he knows well that we have men. (Note: a threatening sentence). Later on Mohamed Said Abdel Ghani was killed and the public said that it was Abdalla who killed him but we defended him. We did not want to prevail our connections with Abdalla, but unfortunately Abdalla ~~from~~ issued a proclamation of which he sent to Syria showing that we were traitors and a separate gang. I tried to meet Abdalla but he refused.

If you tell this story to Abdalla he will take it that I have said this for one reason and that is to make friendship with him now he only likes the old man.

The inhabitants of Allar, I have sent them a letter, but they have not replied to it. The articles that we have, two pairs of metal cutters in possession of Mohamed Assad, four Primus stoves, five pistols, hack-saws, axe, wrenches, are in possession of Mohamed Ali, a watch and all the Monks' articles and the boxes you sent Said for.

The following are in the possession of Ibrahim Zeita: 1 Telephone battery, 1 Telephone, and wireless spare parts, for which I know no name, also he has 50 clips of Ammunition from the aeroplane and 75 clips for your revolver, a number of Verrey light cartridges, and Browning automatic guns from aeroplanes.

Letter No. 295. To: Abdulla Assad.
From: Mohamed Salah.

Hoping you will send the articles I have asked for quickly. Also it is very important that you inform me as to which articles you wish me to bury.

Reference the horse we have, Mohamed Ali took it over and sold it to Ahmad el Daoud for LP 5,000 mla. I have received none of this money: he kept it all. Sir,

Among them was the English made rifles with two clips each, and the five clips I brought from Abu Zeikadly's house. I handed them to Mohamed el Assad and Mahemed el Ali, and what remained I asked Abed el Hafiz to bring the guard in order to give about the handing over.

I went with Khalid to look for the man but we did not find him, so I sent a boy to look for him but he has not returned. Regarding Khalid he is a long way away, but I will try to get in touch with him.

Letter No.320. To: Rebel Leader.
 From: Abed Jabar.
 No date.

You, the active rebel leader trying to recover the land from the unjust Jews and British. All Arabs are looking at Palestine and wondering what will happen to it. There are plenty of Jews in Palestine who are trying to take it from us. You know there are so many Jews in Palestine who are trying to deceive us, and that after this Palestine will belong to the Jews the Arabs will then be poor and a minority. But we know that the Jews will never succeed in their plans, because we have got a Great Arab Leader who is braver than Abu Ghazi, which all nations respect his braveness and victories and victorious attacks on the enemy. Then at the end he will be second in greatness to God. If you carry on the same way as you are doing then you will have Mohamed Mansour to help you kill all spies, and clean Palestine of all obstacles in your way. All our people who have been killed or hanged by the Government actually they are not dead, they have only gone to Paradise. We, all of us, are heroes for Palestine, and we die for our patriotic cause.

From: "H"

I have waited for you many times in my house, and every time I expected you to come. Reference the articles of Mohamed el Soury I know nothing about it. Also reference the uniforms I know nothing about them, the only uniform I am in possession of is my uniform. If anyone has told you that I have uniforms he is mistaken, but if you require uniforms I will get you some from Nablus. Hoping you will send a certificate to the people of Nablus telling them to help me in all my work. I have received the nine round of ammunition and the article in the leather cover. Hoping you will send me by bearer a pass to ride in the cars.

Letter No.339. To: Abdulla Assad.

I have not heard from you for a long time. Reference the 14 clips you left in my house I still have them. Waiting your order for disposal.

Letter No.340. To: Abdulla Assad.
From: Ibrahim el Zouni and Mohamed Abdullah el Hafeh
(written by Mohamed el Aref el Arrar, a teacher in Lydda school).
Date: 18 Zu-el-Haja, 1357.

I wish you every success for you and my brother rebels in Arab Cause. I understand from some people that Tewfic el Haj Yousef that before the holiday he went to the Beduine living in the tents near Arrara land, and they are Tewfic Ibrahim Shehadi, Yoisef and Assad Shehadi. He then forced them to hand over to him six sheep for the children of the rebels who were killed in the Arab Cause. After a long argument he agreed to take only 3 sheeps. He took the three sheep and left. These Arabs are very poor and have him as much as they could afford. He said he wanted these sheep for the children of the Arab Cause, but immediately sold them for own benefit. Is this the way to collect money or food for the Arab Cause. Such traitors like Tewfic el Haj Yousef spoil the good name of the Arab Cause. He also went to the Soury el Farkhat Arabs living in Kaneir land and took from them LP.8 in the name of the Arab Revolution in Palestine. He also kept this money for himself. I will ask for every traitor and spy against the Arab Cause be punished.

Letter No.341. To: ?
From: Mohamed Mahmoud el Hadour of Mafr Kenna.
Date: 26.10.38.

I inform you that since the two nights I left you I find the duty very hard. I now realize the difference between your orders and treatment compared with that of others. What I hear from Khalil el Hassan that my brother is sick, and there is a rumour in the village that I had been wounded for this reason I went to the village to show them that it was untrue. My best regards to all my brother rebels, hoping you will accept the little present I am sending by the bearer.

Letter No.342. To: Abu Shadad.

Letter No.343. To: Abdulla Assad.
From: Salim.
Date: 20.6.39.

Received your letter and was very pleased with the contents. Reference the articles you asked me about, which were in the possession of Bashir. I know nothing about them but, I think they are with Faris, because all the documents I used to receive Bashir used to take them from Faris. Also the wooden and iron box are with Faris. You know that Faris is now in prison, and sometimes he passes from day to day on the military trolley. I will do my best to stop the trolley in any circumstances. Whatever I shall be held responsible for and I will then ask him about all the articles. Best regards to all my brothers the rebels.

Letter No.344. To: Abdulla Assad.
From: Mohamed Kashoura.
Date: 10.3.57 (in Arabic)

When I was in Tulkarm last Monday Sheikh Said el Ibrahim told me. He asked his brother either to give him LP.8 or give him a revolver. Ibrahim told him it was an order from you. Is this true? Ibrahim is now in Syria. The brother of Ibrahim has a nickel revolver in the door of your house. You can take the revolver and find what it is worth, and if it is less than LP.8 he will pay the remainder. Ibrahim is very strict in his orders. He rules like a King of a country. Jamal Pasha who was in charge in olden times, sentenced ten persons to be hanged. I think that Sheikh Ibrahim Said was one of them as he is so unjust in his findings.

Letter No.398. To: The Leader of the Village.
 From: Mohamed el Haj Abdullah of Arab Atusfied.
 Date: 25.3.39.

Nearly one month ago, some armed men arrived at Sherkes villages and fired upon Mohamed Hassan Abdullah and Ahmad Haj Abdullah. On the following morning Ahmad plained that Ahmad el Haj Ali and Fraigh Ali had fired at his house on the night before. All complaints must be made through the Arab and not the English Govt. Court. Letter No.399. To: Abu Ghaleb.
 From: Abu Salah Abu Mustafa.

I visited Abu Salah and we had a conversation. He told me to speak about the letter which you sent him. Will you tell me how I can meet you.

Letter No.400. Statment of Mahmoud Haj Mustapha of Jeet village, taken on 25.8.38.

Village Dispute.

Husni Ali el Haj Ibrahim was killed by the sons of Haj Said el Ibrahim. The villagers are all against Haj Said el Ibrahim and his sons. Haj Said wished to go to Bakka village but was refused. His sons were tried by the Court but were acquitted. Reconsilisation took place between the families and the fassad ceased. Farid the brother of the murdered man, shot Haj Said and the Govt. did not take any action. The elders of the village asked Haj Ibrahim to stop the fassad and he said that it was only amongst the women. Some time later trouble took place between the son of Mustapha Abu Bekir and the son of Kassem el Aaron, for that reason the Govt. appointed a village Committee. This did not stop the trouble as Ali Ibrahim, persisted in cutting trees and shooting. The Govt. then sentenced Ali Ibrahim and Massoud Abdul Razzak to six months in Safad. Also sentenced Said Ibrahim and his son Mohamed to six months in Gaza and ordered 12 men to report to Tulkam P.S. every day. Nothing then took place in the village. Haj Said did not agree to the Army in the village as a guard. The under-mentioned wanted in the Army in the village:

- (1) Ahmad el Karem, (2) Children of Haj Mohamed el Assad,
- (3) Jamil Abdul Razzak, (4) Abdul Mallak Mohamed.

The under-mentioned are the armed men in the village:-

- (1) Abdul Raouf Mohamed Abu Sherkia, (2) Mohamed el Zeidan,
- (3) Ahmad Assad Abu Sherkeia (section leader),
- (4) Mohamed Ahmad el Said, (5) Ahmad Abdul el Latif Mohd. el Assad, (6) Hassoud Abdullah el Muhsein, (7) Jaber Hussein el Ali.

I, Mahmoud Haj Mustapha, was visiting Abed el Malkah, when he was visiting Abdul Karem he was speaking quietly and I did not hear anything. Haj Said also suspected that I am against him. Tewfic el Salah was asked to tell Jamil and Abdul Malkah not to help Abdul Karem.
